

Fall 2023 Residential Learning Communities

# CAREER COLLECTIVE

Up to 34 residents

## BRING YOUR DREAMS INTO REALITY

Centered on the principles of community, connection and support, the Career Collective focuses on how college will prepare you for your ideal career. You will participate in curricular and co-curricular experience, in and out of the classroom, to help you build relationships, learn to network, explore careers, and discover more about your interests, skills, and values. Students in this course are encouraged to have an interest in business as a major; however, students in any major may participate. Students who are undecided or torn between multiple careers will also enjoy this community.

### ▶ BENEFITS OF RLCs ▶▶▶▶▶

- Connect to UCCS and live on the same floor in housing
- Develop a strong sense of citizenship, community, and purpose
- Engage in self-directed learning behaviors
- Participate in co-curricular experiences in your area of interest and beyond
- Take GPS Pathways: Business\*
- Opportunity to take a Spring 2024 class with your fellow RLC students (course TBD during Fall 2023)

**REQUIREMENTS:** To participate in Career Collective RLC, students must take the assigned GPS course that is focused on Business (and is offered in Fall 2023) AND live on the designated floor (location TBD) in on-campus housing. If you apply by March 1, the RLC will be your priority placement for housing. If you have a roommate preference, they must also be participating in this RLC. Room type preference will be based on availability.

*\*Coursework may change based on availability. For more information on the specifics of the Gateway Program Seminar (GPS) courses, visit: <https://gps.uccs.edu/fall-courses>*
